

Make your own map

- 1 Draw your house in the middle of the paper.**

- 2 Draw your road and add any roads that come off it.**

- 3 Add 3 landmarks that are near your house.**

This could be a park, or a shop or even your favourite tree.

- 4 Add some animals.**

Do you have a pet? Or are there birds and squirrels outside?

- 5 Add some people**

Draw yourself or maybe a neighbour. What about the postman or shopkeeper?

- 6 Add a compass**

Work out which way is North. You can do this with a compass or think of where the sun rises. This is East!

- 7 Fill the gaps**

If you have any blank space you can fill this with trees or clouds.
